I strive to provide my clients with a fresh outlook on the issues they face.

My experience at McMillan Metro Faerber focuses on the Corporate and Business, Litigation, and Family Law practice areas. Prior to becoming an Associate Attorney, I was proud to be a full-time Law Clerk at the firm.

That background has given me wide-ranging knowledge about legal process, has fostered excellent working relationships with other attorneys who are my colleagues, and has formed the foundation for long-standing relationships with the firm's clients. My experience, which also includes patent prosecution, positions me well to leverage the firm's resources on behalf of my clients.

I look forward to working with you and assisting in any way that I can.
